## How to achieve justice for victims and survivors of international crimes in today's global landscape

*"It's only when they know what the repercussions might be that we will prevent them from attacking repeatedly." - Antonia Mulvey*

**Thursday, 30 January 2025**

**16:30 -18:00**

**Brighton & Sussex Medical School, University of Sussex,  
BN1 9PX**

In this discussion with **Christian Henderson, Professor of International Law at Sussex Law School** and **Jeremy Allouche Professorial Fellow at the Institute of Development Studies**, **Antonia Mulvey** will address how her career has developed, being part of one of the few female-led teams in international law, the challenges faced by teams on the front lines of conflict, and the fight for the upholding of international law.

Join us for this important and stimulating discussion.
