The organization documents war crimes, represents clients, conducts advocacy, runs trainings, and provides psychosocial support for survivors. PROJECTOR employs attorneys, legal experts, psychologists, and media professionals.

PROJECTOR

The project

The funded project will empower LGBTIQ+ children and youth to become advocates within their communities and beyond. The project will (i) create safe spaces for LGBTIQ+ youth, (ii) run legal and advocacy trainings for LGBTIQ+ youth, (iii) run an advocacy campaign to increase LGBTIQ+ youth awareness of human rights and justice processes.

LIVING HOPE FOUNDATION

The organisation

A women led NNGO registered with RRC Juba, Wau and Warrap. LHF exist to provide holistic protection and empowerment to women, girls and youth to be able to realize their own potentials and demand for respect of their rights.

A photograph of three children wading through a shallow, muddy river. The child in the foreground is carrying a baby on their back. They are all smiling and appear to be enjoying the water. The background shows a grassy bank and some trees under a cloudy sky.

LIVING HOPE FOUNDATION

The project

The funded project has the objective of building children's and youth capacities to advocate against lack of action to sexual violence among children and youths in South Sudan.

Supported by Oak Foundation, Legal Action Worldwide (LAW) is proud to champion and foster the influencing efforts of these civil society organisations, to help advance our advocacy agenda on combatting impunity for sexual violence against children and to provide child victims and survivors with the tools, support, and platforms they require to voice their needs and influence change.
